PRESIDENT'S MESSAGE

Monte Marchetti

Greetings Everyone

I wish everyone a happy summer full of sunshine and good times. As I write to you it is hard to believe we are turning the corner on the year and it is almost half gone.

It has been an exciting first half with the Italian Club of Seattle and we have many fun activities to look forward to in the coming months. I hope to see many of you at the Mariners Game, ICS Luncheon, Day at the Races and the Italian Community Picnic. It's great to have venues to look forward to and I hope you can fit at least one event into your schedule.

One summer Italian custom that I would like to share is the evening stroll, "La Passeggiata". In many cities in Italy after the

PRESIDENT'S MESSAGE

Continued from page 1

work day Italians will flock to the town square or Piazza for a slow walk, taking laps and visiting with friends or making new ones. On the weekends some entire families will gather and stroll to being seen by their friends as they show off their best clothes and bling. This ritual serves as an important social function that can spark romance and social fidelity that contributes to the colorful fabric of casual Italian life. It sounds like fun and a great way to end the work day.

In America the automobile isolates us in the armor of our cars and the interactions we have with our neighbors can be aggressive and unpleasant to say the least. Walking and greeting people face to face could lead to more compassionate exchanges and even evolve into something much more gratifying for all. Hopefully you will have an opportunity to do some strolling and socializing this summer. Take time to have some outdoor meals with plenty of summer produce and top it off with your favorite gelato. Enjoy!

We have endured difficult times in the last few years and the repercussions of the economic fallout of "The Great Recession" seem to be here to stay. I have talked with many impacted people and know that times are tough for the unemployed, employed, business owners and the retired. As we watched the mortgage meltdown take place it was hard to imagine how it would boomerang back and affect so many people that were not directly engaged in "my

house the piggy bank".

I remember how red hot things were in the middle of the decade with housing and almost everything was popping like a like a 4th of July fireworks show. The excesses were evident as huge SUV's would come barreling down the streets with spinner chrome wheels that would continue to rotate when the vehicle stopped. It was like the economy at the time except everything was spinning out of control. I wondered where the money was coming from to pay for five thousand dollar wheels and tire. You don't see spinner wheels now days and it kind of analogous to the current economy.

It is understandable that the unemployed would have it tough but many still employed are struggling with downsizing, re-organization and workloads that force many salaried employees to work extra for the same pay. For the business owner it is double trouble with inflation and the expectation of lower prices from customers.

I am sympathetic to those who are struggling and hope the club can offer solace and fraternal support to all. We have a great Health and Welfare column under the leadership of **Carolyn Jackson**. Please share your issues or reach out and let us know how we can help any member. We are here to support you and provide prayers and fellowship for whatever you are facing during these challenging times.

God Bless You All!

The Italian Club Goes to the Casino *by Nick Grossi*

Many Italian Club members and friends gathered at Mt. Virgin parking lot on May 14th for a ride to the Snoqualmie Casino. They were off for a day of fun and gambling. **Michael Lazzaretti** made all the arrangements including the complimentary bus ride to the casino and back.

It was a busy day at the casino. Every Tuesday between 12:00 and 1:00 P.M. they draw 25 names for \$500,00 prizes,

(no one from the Club won)

Everyone enjoyed the great buffet while comparing wins and losses. Then, it was off to the machines and tables to try to recoup their losses. Everyone met at the bus at 3.00 o'clock for the ride home. All were in agreement that this was a fun time.

Thanks to Michael Lazzaretti for chairing this event. He said he might do it again this year.

Ah, June, the beginning of a busy summer. With summer come graduations, weddings, picnics, ball games, BBQs, cruises, vacations, anniversaries, lunches, preparing for Festa Italiana, and all the other gatherings with family and friends.

Mt Virgin's 100th anniversary celebration will be on Sunday, August 14, at 10:00 A.M. Our new **Archbishop J. Peter Sartain** will celebrate the Mass and bless the new Anniversary Wall Tiles. A reception will follow.

A reminder, the Festa Mass, will be on Saturday, September 10, at 5 P.M. at Our Lady of Mt. Virgin Church, reception to follow in the Parish Hall. **Fr Paul Magnano** will again be the celebrant of the Mass.

Happy birthday to all our Italian Club members celebrating birthdays in June, July and August. Birthdays are like a butterfly, light, fluffy, and full of promise. Enjoy your day. It's God's present. In case you didn't know, June's birthstone is the Pearl and your flower the Lily of the Valley. July, Ruby is your birthstone and your flower is the Larkspur. August, that's my month, our birthstone is the Peridot and our flower, Gladiolus. *ENJOY. May this year bring you love, joy, health and lots of birthday cake.*

What have you been doing? Well, the birdies have been talking and I heard **Lou and Madeleine Guzzo** have moved to a retirement home in Newcastle. They requested we send their regards to all their friends in the Italian Club.

I mentioned last month that **Roy and Betty Skibo** had moved to The Madison House in Totem Lake, (Roy said actually it's Kirkland). Their new address is 12215 NE 128th St., Apt. 302, Kirkland, WA 98034-7314. Phone number is the same ... (425) 883-6552

How about some happy news? Graduations; we have many proud parents and grandparents. *We would like to add our best wishes and congratulations to our future leaders.*

Margo Cochran, daughter of Bill and Holly Croce Cochran and granddaughter of **John and Rose Croce** graduated from Loyola University in Chicago. Attending the commencement exercise

were Mother and Dad, Sister Laura and uncle, aunt and little cousin, **Ken, Cathy Croce and Danny Volpone**.

Also on the road to Oregon for **Dominique Peretti's** special event were Father and Mother, Dino and Sharon, sister (a graduate of Oregon University) Briana and grandmother, **Barbara Peretti**. Dominique graduated in Human Physiology. She'll be moving to California to attend graduate school. Good going girls, many blessings, a happy future.

Well, I have a graduate in my family too, but it's from 8th grade. **Marcello Jackson** will graduate from McClure Middle School and will attend Franklin High School in September.

To all our graduates, God Bless you, good going.

More good news, **Ken and Cathy Croce Volpone** celebrated their 10th wedding Anniversary. They renewed their wedding vows ... Fr. Magnano did the honors. *Wishing Ken and Cathy many more happy and loving years.*

A star is born: **Gianna Marchese**, granddaughter of Gino and Joanne Marchese had a leading role in a Seuss play. She was a real pro. God bless you Gianna and thank God for your talents and your family. Good girl.

We were happy to receive and Email from **Tony Petrarca** with updated information on his Grandson Gabino's condition. He did have the liver transplant and the hospital reported that all was going well thus far.

I know there's a lot more NEWS out there, sorry if it's not in print.

Remember our Quarterly Luncheon. Wednesday June 22nd. Same place. Our speaker will be **Jerry Rosso**.

There's a lot going on, but save the dates and try to attend some of the activities. Meeting, Ball game, Luncheon, Picnic, Festa, Horse Races, Mass and reception ... all celebrations!

Can't help myself, "Those who get too big for their britches will be exposed in the end."

Have a happy, healthy and safe summer.

Pushing time, the Informer,

Carolyn Aka Sister
